To the Sister Associations of PIANC

Subject: **Extended dead-line** : Setting up of a PIANC **InCom Working Group 266** on
'Capacity Augmentation and Structural Expansion of Existing IW Facilities'.

Dear Madam,
Dear Sir,

The setting up of PIANC InCom Working Group 266 on **'Capacity Augmentation and Structural Expansion of Existing IW Facilities'**, has duly been approved as well as its terms of reference, which are herewith enclosed. We kindly ask you to proceed and appoint your representatives before **30 August 2025**.

Since 2024, we have adopted a new procedure for appointing Working Group members, please have a look at the attached file. Please note when adding your representatives, you will also be asked to add a short cv of the candidate together with a letter of appointment. Besides applying for membership of this Working Group, interested candidates can also put forward their candidacy to chair the WG (please contact Ms Muskatirovic in this regard).

Qualifying Members and National Sections can also appoint an additional expert, being a young professional, who can participate in the Working Group activities. **Furthermore, I would like to remind you that Working Group Members should either be Individual Member of PIANC, working for a Corporate Member or Platinum Partner, be an invited expert or a be a member of a Sister Organisation.**

We remind you that in accordance with PIANC rules and regulations, HQ does not contribute in the costs incurred in taking part in Working Groups. PIANC Working Group reports reflect the combined efforts and cooperation of all our Working Group members and should therefore be seen as the result of a collective effort.

We thank you beforehand for your collaboration.

Yours sincerely,

Geert Van Cappellen,
Secretary-General.
